Dear IFFS Member Societies,

Thank you for your continuing membership in the International Federation of Fertility Societies which today represents over 40,000 practitioners world wide. I look forward to greeting you at the IFFS 20th World Congress on Fertility and Sterility to be held **September 12-16, 2010 in Munich, Germany**. In addition to offering a comprehensive scientific program, the IFFS will hold its triennial General Assembly where your society will be able to participate in deciding the future direction of the Federation.

In order to be eligible to vote, your dues must be paid and current. To expedite this process, please pay the attached dues invoice at your earliest convenience.

Register for IFFS 2010 Munich at www.IFFS2010.com before April 30th to take advantage of the early registration fees. An exciting social and excursion program is also being offered that will interest your spouse or partner.
